RE: Drought Relief Donation – Republic of Palau

To Our Valued Donors,

Greetings from the Republic of Palau Embassy – Japan.

On behalf of the Republic of Palau and the people of Palau, I am writing to convey our sincerest appreciation for your gracious support towards the very severe drought experienced in Palau during early months of this year. Your monetary donation has been successfully received by the Palau National Treasury and was utilized for drought relief efforts as well as disaster preparedness planning for similar events in the future.

Please accept once again our deepest gratitude.

Sincerely,
